

MOTION BY SUPERVISOR DON KNABE

August 5, 2014

The Los Angeles County Child Support Services Department (CSSD) is charged with locating parents, establishing parentage as well as initiating and enforcing orders for child support. Their mission is to provide child support services in an efficient, effective and professional manner, one family at a time.

Nationally, one in four children receives support through child support collections. These collections increase a family's self-sufficiency, decreases reliance on public assistance and have a positive effect on children's educational achievement. Here in Los Angeles County, in the past 2 years alone, over 1 billion dollars has been collected and distributed to children and families with child support orders.

I THEREFORE MOVE that the Board of Supervisors proclaims the month of August 2014 as Child Support Awareness Month.
